PRESS RELEASE

Kent Companies, Inc. Adds New Division, Division Leader

JUNE 28, 2010, GRAND RAPIDS, MICHIGAN – Kent Companies, Inc. has partnered with Boston, Massachusetts-based Basement Technologies to offer full-service basement waterproofing services. Operating as Kent Basement Solutions, Kent will specialize in the installation and service of Basement Technologies' patented and highly advanced waterproofing systems. Kent Basement Solutions will compliment Kent's existing slab raising and foundation stabilization businesses, Kent Concrete Raising and Kent Foundation Systems.

Kent Companies, Inc. is also pleased to announce that Thomas Borrego has joined Kent as Division Leader of Kent Basement Solutions. Mr. Borrego is a Ferris State University graduate with significant experience in construction and project management. Mr. Borrego will have full responsibility for all aspects of Kent Basement Solutions' operations.

Kent Companies is a family-owned business that specializes in all aspects of concrete construction, concrete pumping, floor underlayments and treatments, decorative concrete, concrete lifting, foundation stabilization and facility services. Kent Companies is headquartered in Grand Rapids, Michigan and has locations in Redford, Michigan, Dallas, Texas, Bentonville, Arkansas and Charlotte, North Carolina. In 2007, Kent Companies celebrated 50 years in the concrete construction business. The Kent Companies team has built a reputation as "Leaders in Concrete".
