## PRESS RELEASE

### **Kent Companies is Named Country's 19<sup>th</sup> Largest Commercial Contractor by Concrete Construction Magazine**

JULY 27, 2010, GRAND RAPIDS, MICHIGAN – One of the leading publications for commercial contractors, Concrete Construction Magazine, ranks Kent Companies as the United States' 19<sup>th</sup> largest commercial concrete contractor by volume in its annual CC100 issue for 2010. Kent Companies is also ranked as the United States' overall 31<sup>st</sup> largest concrete contractor by volume.

With over 300 skilled employees located at offices in Michigan, North Carolina, Texas and Arkansas, Kent Companies specializes in all type of concrete construction. Kent Companies' project list includes nearly every type of structure that contains concrete, including large commercial buildings, post-tensioned cast-in-place structures, multi-family housing, parking garages, heavy manufacturing structures, performing arts, educational and athletic facilities and waste treatment facilities.

Concrete Construction Magazine is a Hanley Wood publication. The CC100 is Concrete Construction's annual issue that ranks the country's concrete contractors based on volume and specialty. More information is available at Concrete Construction Magazine's website: [www.concreteconstruction.net](http://www.concreteconstruction.net).

Kent Companies is a family-owned business that specializes in all aspects of concrete construction, concrete pumping, floor underlayments and treatments, decorative concrete, high performance coatings, concrete lifting, foundation stabilization and restoration, facility services and waterproofing. Kent Companies is headquartered in Grand Rapids, Michigan and has locations in Redford, Michigan, Dallas, Texas, Bentonville, Arkansas and Charlotte, North Carolina. In 2007, Kent Companies celebrated 50 years in the concrete construction business. The Kent Companies team has built a reputation as "Leaders in Concrete".
